Road safety education: Safer behaviours through PDHPE K-6

Course information

Using the new Safety Town road safety education website teachers will explore learning activities within a PDHPE K-6 context, and consider whole-school strategies to engage students and the school community in being safer road users.

Who: K-6 teachers

Cost: No cost to attend the workshop. It includes morning tea, lunch and materials.

What will teachers get out of it?

Participants will:

- increase their knowledge and understanding of how to address road safety issues affecting students at their school
- refresh their understanding of the PDHPE K-6 syllabus
- explore new resources to support the effective teaching of road safety
- receive free road safety materials for your school
- review strategies to promote a whole-school approach to road safety
- access opportunities for further professional learning.

Prerequisite

Participants will undertake a simple review of how their school addresses road safety education, prior to attending this workshop. Details provided on registration.

Register online on MyPL (Course code: RG01083)

Closing date: One week prior to event

Completing this course will contribute five hours of NESA registered professional development addressing 2.1.2, 3.3.2, 3.4.2, 6.2.2 from the Australian Professional Standards for Teachers, for teachers maintaining proficient teacher accreditation in NSW
